

Pieces slide together as shown here.

1. Slide the Upper Tower (A) into the Lower Tower (B), making sure to line up the grooves.
2. Slide the assembled Tower (A & B) into the Base (C).
3. Snap the Timer Button (D) onto the top of the Tower.
4. Slide the Basket (E) over the completed assembly. The three arms of the Basket (E) will click into the Tower.
